

Barrington Youth Soccer Association Fall Competitive Registration Fee Refund Policy

Due to the limited number of roster positions available for fall competitive teams and, therefore, the likelihood that we will be unable to roster all interested players, BYSA does not grant refunds of fall competitive registration fees.

Injury/Medical Exception: An exception to the policy will be granted when a refund request is *received* prior to the fourth week of the season and has been submitted because of an injury or medical condition. In such case the refund request must be accompanied by a physician's note indicating that the injury or medical condition prevents the player from participating in soccer. There is no injury/medical exception after the fourth week of the season. The refund will be pro-rated based upon the number of scheduled games played.

Pro-Ration Schedule for Injury/Medical Exception:

- Before week one: 100% of the fee, less a \$20.00 processing fee
- After week one: 6/7ths of the fee, less a \$20.00 processing fee
- After week two: 5/7ths of the fee, less a \$20.00 processing fee
- After week three: 4/7ths of the fee, less a \$20.00 processing fee
- After week four: \$0.00

Deductions: BYSA incurs insurance and administrative costs to register and roster a player. Accordingly, BYSA deducts a \$20.00 processing fee from all refunds granted under the Injury/Medical Exception provision. In addition, BYSA will not refund any late-registration fees.

In all cases ***BYSA will use the date stamp of an email or the post mark of regular mail to determine when the request, including a physician's note where applicable, has been received.*** Requests may be submitted via email or through the postal service. All refund requests should be submitted to:

Pat Stoddard
BYSA Registrar
PO Box 361
Barrington, RI 02806
p.stoddard@barringtonsoccer-ri.org

Note: BYSA will refund the registration fee, less the processing fee and late-registration fee, if applicable, as described above. BYSA does not refund uniform or other costs.
